Call To Artists

Due April 30, 2019

Please retain this sheet for your records

New This Year:

- *Changed to 3rd Weekend in June
- *3 Main Trail locations
- *Fee Reduced to \$50
- *Increased Publicity

Attached is an application to participate in the **18th annual Westcott Art Trail**. This popular event offers a market for artists and makers, is a fundraiser for Westcott Community Center and showcases our extraordinary neighborhood! We urge artists living in and outside of the Westcott neighborhood to join us.

To become a vendor of the Westcott Art Trail:

1. Submit your application and \$50 vendor fee by April 30, 2019. **Make your check payable to Westcott Community Center and mail your application and check to Westcott Community Center 826 Euclid Avenue, Syracuse, NY 13210, attention Jennifer Walton.**
Note: Multiple artists displaying at the same booth, tent or table must each pay the \$50 vendor fee (unless all products for sale are produced by both artists and you share the proceeds).
2. Email photographs (max 3) of your work to Jenniferw@westcottcc.org. (At least 300 dpi photos are required for our Website and Press Releases.) Your photos, name and website address will be showcased on Westcott Community Center's website in the Art Trail page for the year.
3. All items for sale must be handmade by the artist.
4. Your booth must be open during all advertised sale hours.

The trail map highlights the location of each artist and briefly describes the art being sold. Throughout the neighborhood yard signs, posters, and flags will also help customers locate each site. Trail maps will be available in late May on the Center's Art Trail page at westcottcc.org and for pick-up at the Center and Petit Library.

The planning committee will contact you in May to confirm your booth location.

Get your application in by the deadline of April 30th. You may still participate if you miss the deadline, but a \$15 late fee is required and unfortunately your information will not be listed on the map.

Westcott Community Center is a non-profit 501c3 organization. Your entry fee may be tax deductible. (Check with your tax advisor.)

Thank you for your participation and support!
